Observations courtesy of [US Geological Survey](http://www.usgs.gov/) .

**NOTE:** River forecasts for this location take into account past precipitation and the precipitation amounts expected approximately 24 hours into the future from the forecast issuance time.

**NOTE:** We are looking for a volunteer to monitor this river gauge. If interested, contact the local NWS office.

Forecasts for the Rio Grande at Espanola are issued as needed during times of high water, but are not routinely available.
