Observations courtesy of [National Ocean Service](http://NationalOceanService.gov) .

NOTE: Please refer to [Coastal Flood Advisories and Warnings](#) for official water level forecasts during periods of coastal flooding. During tropical cyclones, please refer [here](#) for additional storm surge information. **NOTE:** During a Tropical Storm or Hurricane Watch or Warning, inundation mapping provided by the [National Hurricane Center](#) reflects a reasonable worst case scenario. The experimental forecast above is the total water forecast that is expected to occur.

Forecasts for the Chesapeake and Delaware Canal at Chesapeake City (IN MLLW) are issued routinely year-round.
